NTEU
The National Treasury Employees Union

CFPB attorneys, economists and accountants are identified as professional employees and will vote on two questions. NTEU urges you to [vote 'Yes' twice](#). One 'Yes' vote gets you representation by NTEU. The other 'Yes' vote is for a single bargaining unit, and that gives CFPB employees more power to improve working conditions.

Take the few minutes to vote and then look forward to something to celebrate! Election results will be announced Thursday.
