

Federal employees ensure the safety of the air we breathe, the water we drink, our food, our drugs, and medical devices.

They ensure our energy security, safeguard our weapons and guard against terrorism. And they serve us in so many other ways.

**Federal
Employees...**

THEY WORK FOR U.S.

TheyWorkForUS.org

A message from the National Treasury Employees Union

"We protect the air you breathe and the water you drink." – Larry Penley, EPA

"We protect American democracy and free elections." – Vivien Clair, FEC

"We safeguard America's food, drugs and medical devices." – Michael Roberts, FDA

"We are on the frontlines guarding against terrorism." – Laura Zayner, CBP

Every day, dedicated federal employees are working to protect our country, improve our quality of life and safeguard our banking and financial systems.

Federal Employees... They Work for U.S.

A message from
NTEU
The National Treasury Employees Union

**Federal
employees
keep our
nation strong
and vital.**

They...

PROTECT the air we breathe, the water we drink.

DEFEND our borders and guard against terrorism.

PRESERVE our natural resources and historic sites.

SERVE our country in so many ways.

**FEDERAL EMPLOYEES...
THEY WORK FOR U.S.**
